

Roman Catholic Diocese of Providence – Respect Life Ministry

Re: 40 Days for Life – Fall Campaign
September 27 to November 6

“The Beginning of the End of Abortion”

Dear Human Life Guild Members and all People of Life:

Planned Parenthood finally got around to releasing its annual report ... and it's both challenging and motivating for all of us.

This is why it is so important to build up our prayer team for the 40 Days for Life Campaigns. Our next campaign will begin on Wednesday, September 27th...we are planning a rally to kick-off the campaign.

Please consider sharing one hour of your time during the “**40 Days**” to pray at **Planned Parenthood at 175 Broad Street, Providence** or **the Women’s Medical Center at 1725 Broad Street, Cranston.**

For more information and to reserve your signage, call the Respect Life Office at 421-7833 x 218.

We need people of all ages...religious education students, this is a great way to complete community service hours...

If you cannot make it to one of the clinics during the 40 Day period (Days: Monday – Saturday...Hours: 7am to 7pm) let us know if you will be joining us in praying a **Rosary** a day for **40 Days** to end abortion). Call and let us know how many rosaries you will be praying during the campaign:

421-7833.218 or email: cowens@dioceseofprovidence.org

Remember: Pray, Fast, Create an Awareness!

We need each and every one to join us during the next 40 Days for Life campaign. . .

Here's what's on the way **up** in Planned Parenthood's latest set of annual statistics:

- **Abortions** -- UP from 323,999 to 328,348
- **Taxpayer funding** -- UP from \$553.7 million to \$554.6 million
- **Profits** -- UP from \$58.8 million to \$77.5 million

But here's what's on the way **down** at Planned Parenthood:

- **Clients** -- DOWN from 2.5 million to 2.4 million
- **Cancer screenings** -- DOWN from 682,208 to 665,234
- **Prenatal services** -- DOWN from 17,419 to 9,419

This report reminds us of one fact...

Planned Parenthood is an abortion business.

Your prayers and peaceful presence can impact these numbers and help end abortion...

Sincerely yours,
Carol A. Owens
Carol A. Owens
